WEBSITE SOLUTIONS COMPANY ANNOUNCES WEB RESOURCE FOR CITY GUIDE WITH LOCAL EVENTS IN TEXAS

Lonestar Calendar, a city guide featuring live music and local events on community calendars in major cities in Texas, recently gained a new online resource that was created by AgniTEK.

College Station, TX, November 4, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for Lonestar Calendar at <http://www.lonestarcalendar.com>. The new website was designed and created by AgniTEK associates and is live on the web.

Lonestar Calendar provides a city guide featuring live music and local events on community calendars in Austin, Houston, Dallas, San Antonio, College Station and various other cities. They pride themselves on being a city guide offering the most comprehensive list of local events and things to do in certain cities. These events include holiday parades, festivals, fairs, and entertainment such as live music or concerts. It's free and easy to post events to their calendars. The website also gives suggestions on where to go and what to do in all of these cities in Texas. Lonestar Calendar is committed to helping their customers free of charge, all day 365 days a year, with the most visited cities in Texas. To learn more about Lonestar Calendar, visit their website today.

The Lonestar Calendar website features an interactive module that allows the viewer to add events to a cities calendar. This helps to keep the calendar up to date and informed of all of the events going on in the cities in Texas. There are also advertisements constantly surrounding the calendars, so it is a great way to get a business's name to tourists and new customers. This site is different from others because it allows one to be able to look event postings from 15 different cities on one calendar, which is ideal for

people traveling through Texas. All of these features were made possible by AgniTEK and their associates.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
