

# November Promotion 2013

[www.usbpromos.com](http://www.usbpromos.com)

# Greener Technology Month

**Greener Technology**  
**10 % OFF**  
**Wooden USB Drives**  
FOR THE MONTH OF NOVEMBER  
\*Restrictions apply

The banner features a large green leaf on the right side. Below the text, five different wooden USB drives are displayed: a red one with 'UNICENTRAL' branding, a light-colored one with a circular logo, a 'Roots' brand drive, a 'EILEEN FISHER' brand drive, and a dark wood drive with a signature.

- During the month of November we are offering 10% off our wooden USB models
- The discount will be applied to your wood drive order
- Discount applied to all products and excludes services
- Learn more in our [vlog](#)

# Wood Species

All of the wooden models found on our website come in a variety of species:

# Customizing Your Wood

- All of our USB drives are fully customizable (front and back)
- Wood models can be branded with:
  - CMYK printing
  - Screen/Pad printing
  - Laser etched
- Branding options are dependent on the wood species – talk to our sales rep to discover your options!

# Data Services

- We offer data service for all USB drives
- The most popular services are:
  - Pre-loading
    - Give your custom USB drive as a gift with loaded photos, music, presentations, videos etc.
    - We will preload the data onto your wood order for you
  - Auto run programs
    - Pre-program your drive to automatically load and run the website or file of your choosing
    - We will program your drives for you
  - Security Protection
    - Provide view-only access rights to content on your drive
    - Password protect your drives
