

Abernethy Laurels is hosting an enchanted holiday food show – *Christmas in Paris*. Our Community Center will transform into The City Of Lights complete with a holiday market – just like being in Paris at Christmas time. From the moment you enter the door, you'll feel like you are walking down the tree-lined Champs-Elysees. The smell of freshly baked baguettes will fill your senses. You'll enjoy sampling French-inspired dishes, cheeses and pastries while shopping for unique gift items. Even have your picture taken in front of the Eiffel Tower!
