

[Pink Paw Books](#), an interactive picture book brand created by [WiseKids](#) welcomes talented illustrators/artists and writers from around the world to collaborate with us.

The Pink Paw Books brand was created to provide illustrators and writers with the opportunity to publish quality ebooks embedded with interactive animation, sound, narration, multi-language support and more.

We also create a webpage for our collaborators enabling them to promote their personal introduction and portfolio.

We have launched this brand with the ambition to provide talents from all over the world with the opportunity to present their work to a wider, global audience.

Below are the options for participation:
