

MagBench™ WORKSTATION

PATENT PENDING

Portable Magnetic Workbench!

Finally, there's a better way to hold your tools and materials while working! **MagBench** protects your tools and materials & keeps them accessible instead of on the roof or the ground! **Strong mounting magnets** attach securely to any steel surface in seconds, and won't interfere with your electronics!

Standard

12x12" Surface

Designed for laptop computers
& normal weight applications

Standard size holds up to 20 Lbs.

Both fold for easy transport & storage!

Mini size holds up to 10 Lbs.

Made from sturdy Starboard® material
& stainless steel hardware.

Mini

8x10" Surface

Designed for tablet computers
& small applications

Both Models Include
a Sturdy Zippered
Storage bag!

MADE IN

U. S. A.
