WEBITE SOLUTIONS COMPANY ANNOUNCES WEBSITE FOR AUTOMOTIVE SERVICE SHOP IN BRYAN/COLLEGE STATION

Texas Truck Riggins is an automotive service shop in Bryan and College Station. They recently gained an updated online resource that was created by the associates at AgniTEK.

College Station, TX, November 22, 2013— AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce a new and improved website for Texas Truck Riggins at <http://www.txtruckriggins.com>. The updated website was designed and created by AgniTEK associates and is live on the web.

Texas Truck Riggins started in the Brazos Valley in 1995 and has been growing into the company it is today ever since. Starting as a small shop with two employees, Texas Truck Riggins has grown and into a large workshop and warehouse. They are one of the largest businesses of its kind in the Bryan College Station area. They have a full selection of truck and SUV accessories such as grille guards, tool boxes, tow hitches, bug shields, and camper lids. They also offer services including spray-in bed liners, powder coating, sandblasting, and truck accessories. To learn more about Texas Truck Riggins, visit their website today.

The Texas Truck Riggins website offers a services page that offers detailed descriptions of each one, including pictures and their process in completing the service. There is also a list of their manufacturers as well as links to each of their sites, which allows the customer to know who exactly they are dealing with. The photo gallery provides examples of work for all services, custom work, and some other projects that Texas Truck Riggins has completed. This gives the customer a visual image of what their completed car would look like. Their Contact Us page separates them from others because it allows the customer to select the area they are interested in which will give them better service from Texas Truck Riggins. All of these features were made possible by AgniTEK and their associates.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
