## Enabled by Ultrabook™ Devices

Vladstudio Companion by ALSEDI Group breathes fresh life into ordinary PC aesthetics by merging an intuitive interface with an easy-to-access gallery of clever wallpaper designs. Desktops can be revamped with an evolving gallery of new designs and users can be notified when new wallpapers are released. Curating favorites is as easy as a few handy clicks.

The Vladstudio Companion app, featured on Ultrabook™ devices and Windows\* 8 tablets with an Intel® Atom™ processor, is a fun and intuitive way to bring some warmth and fun visuals to your desktop. It features a multitude of engaging designs that entice the viewer with their elegance, sophistication and whimsy.

The Vladstudio Companion features:

- Intuitive and accessible gallery of clever wallpaper designs
- Easy-to-save option to download wallpapers to the Pictures Library
- Convenient Lock Screen for setting wallpapers
- Social features like sharing wallpapers to email, SkyDrive and more through the Charm-bar

The Vladstudio Companion makes visual inspiration accessible through an enticing gallery of desktop designs, created by the talented visual arts team at ALSEDI Group. These desktop designs range from sophisticated to whimsical and fun to look at.

### Easy-to-use interface

It's easier than ever to curate your favorite desktop designs, using the fabulously simple and user-friendly interface. See a picture of a bubbling volcano that you want to save? Saving it to your Picture Library is easy. You can also select any design to Lock Screen, or search for specific designs using Keyword search. Image cache is also now available!

### Child-friendly illustrations

Fluffy chicks dreaming of lattes. Kid scientist. A dragon flying over the moon. These are just a few examples of the beloved desktop wallpapers designed for children. Kids of all ages love the creatures that inhabit the serene, engaging landscapes the ALSEDI team dreams up. Each design evokes a playful world that stimulates developing minds.

### Sophisticated designs for adults

The sheer variety of this gallery is impressive. It features geometric patterns of varying colors, elegant fractals, and minimalist phosphorescent digital collage that is tastefully curated and truly appealing for kids and adults alike.

### Get alerted when new designs are added

The creative minds at ALSEDI are always delivering new content that is automatically uploaded into the app. That means your Ultrabook device is continually hooked up to a steady stream of new inspiration.

### Relaxation at your fingertips

Gentle, affection, and joyful, these designs are an oasis for the senses. Studies show that surrounding yourself with daily inspiration can subliminally affect the quality of your everyday day life.

## Vladstudio Companion Powered by Intel

Ultrabook devices and Windows\* 8 tablets with an Intel® Atom™ processor provide an intuitive interface for users to access an evolving gallery top-notch desktop designs. The touch and keyboard capabilities, visually rich display and Intel® Core™ processors combine to make Vladstudio Companion an original way to breathe new life into traditional desktops.
