TWC Aviation Welcomes Timothy Young to Expanding Aircraft Management Sales Team

LOS ANGELES (November 21, 2013)—TWC Aviation announced today that industry veteran Timothy Young has joined the company's growing Aircraft Management Sales group. Mr. Young brings more than two decades of aviation experience to his position as Director, Aircraft Management Sales. He comes to TWC Aviation after 12 years as Captain and Aircraft Manager for several leading Part 135 operators, including prior experience in aircraft management acquisitions. Earlier, he served as a commercial airline pilot for America West, USAir Express, and other carriers.

"As a line captain flying charters for the past 12 years, I know what owners want from their aircraft management company," Mr. Young said. "TWC embodies the virtues of safety, reliability, and profitability every aircraft owner envisions."

Mr. Young is type-rated in multiple aircraft and holds Airline Transport Pilot, Commercial Pilot, and Flight Instructor certifications. He majored in finance and marketing and has a BA in Business Administration from the University of Wisconsin.
