SOCIAL MEDIA MONITORING

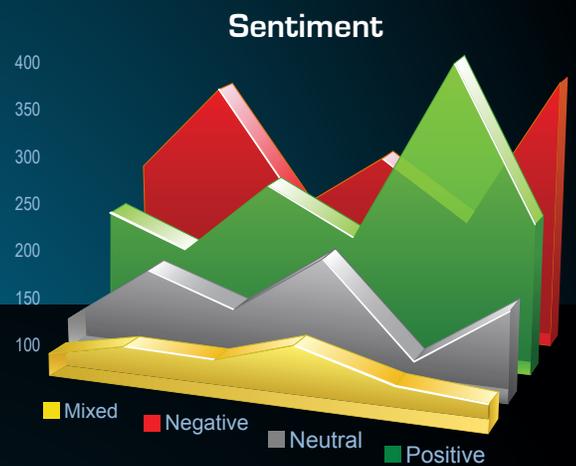

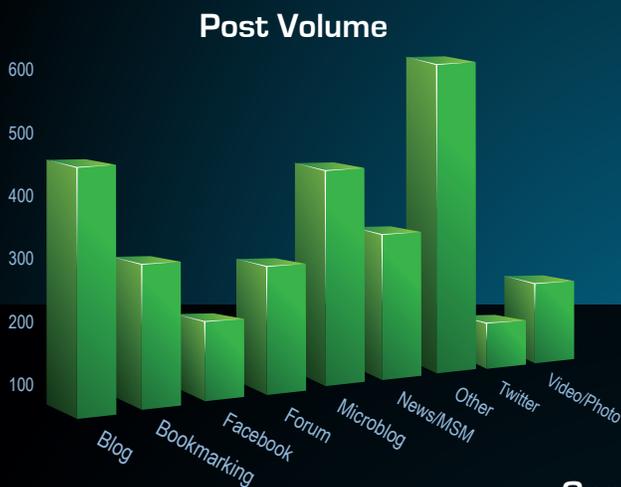

Actionable Insight into what Influences Your Brand

social Buzz

SOCIAL MEDIA MONITORING

Social Buzz provides a simple, effective way to listen to what your customers, critics, supporters and *competitors* are saying about your brand, and the insight necessary to respond to that behavior.

With **Social Buzz** you'll have a dedicated account manager to monitor over 200 million blogs, six million forums and message boards, countless news outlets and consumer sites, as well as Facebook, Twitter, LinkedIn and other social media sites for your brand. View all the information in intelligently designed reports with just a click!

Competitor Analysis

Contact us today to add **Social Buzz** to your media monitoring dashboard!
