## Press Release

### **Provident Consulting announces the Chicago Compliance Roundtable**

*Provident, a leader in healthcare management consulting and compliance solutions announces its upcoming event, the Chicago Compliance Roundtable. The roundtable will bring together compliance professionals from the Chicagoland area to discuss and share their insights on the audit and compliance challenges faced today.*

**Chicago, IL – December 2, 2013** - Provident, a leader in healthcare management consulting and compliance solutions announces its upcoming Chicago Compliance Roundtable. Healthcare reform and the onslaught of changing regulations has heavily impacted the maintenance of effective internal compliance programs. On January 24, 2014, Provident will bring together Chicagoland's top healthcare compliance professionals to share challenges, solutions and best practices. Leading the roundtable discussion will be guest speaker Sandra L. Joe, Director of Compliance at Northwest Community Healthcare. Guests will not only have the opportunity to meet, network and learn from fellow colleagues, but the roundtable will also feature valuable discussion regarding today's compliance initiatives, including:

- Techniques and tools used to assess risk, audit and monitor vulnerabilities, develop work plans and corrective actions, and establish program metrics;
- Tips, tricks, and pitfalls of auditing; and
- Tools used to report findings to senior management.

#### **About Provident Consulting**

Provident Consulting is a leader in Healthcare Management and Compliance Solutions. We understand the diverse risks our healthcare clients face. Our proven solutions, expertise and specialized tools transcend traditional strategies and assumptions and focus on regulatory, operational and financial optimization to help clients thrive in the future of healthcare.

Provident's solutions are focused on the integrity of the clinical record to support quality patient care, manage compliance with law and regulation, secure appropriate reimbursement, and give healthcare leaders actionable clinical data to drive success.
