Belvoir Federal Named 2014 Best Places to Work in Virginia

Woodbridge, VA, November 22, 2013 — Belvoir Federal Credit Union was recently named one of 2014's Best Places to Work in Virginia. The annual list of the Best Places to Work in Virginia was created by Virginia Business and Best Companies Group.

The esteemed awards program is a statewide survey designed to identify, recognize, and honor the best places of employment in Virginia. To be considered for participation, companies had to fulfill the following eligibility requirements: be a for-profit, not-for-profit business, or government entity; be a publicly or privately held business; have a facility in the state of Virginia; have at least 15 employees working in the state of Virginia; and must be in business a minimum of 1 year.

The first part of the survey, which consists of 25% of the assessment, evaluates each nominated company's workplace policies, practices, philosophy, systems, and demographics. The largest portion of analysis was ranked on employee feedback.

"Being named one of the best places to work in Virginia is truly an honor. We appreciate *Virginia Business* recognizing Belvoir Federal's ability to create an outstanding work environment for our employees," stated Patricia Kimmel, CEO of Belvoir Federal Credit Union. "Our employees are the ones who make a difference at our credit union and we strive to have the very best working environment, which makes serving our members with remarkable service a way of life at Belvoir Federal."

Best Companies Group managed the overall registration and survey process as well as analyzed the data to determine the final rankings for the top 100 companies. For more information on the Best Places to Work in Virginia program, visit www.BestPlacesToWorkVA.com.
