Greeting's on behalf of the Tourism Board of Cabo San Lucas Mexico
As a Managing Director Asociacion Sudcaliforniana de Desarrolladores de Tiempo Compartido, A.C. of Cabo San Lucas we would like to thank Resort Vacations International DBA BookVIP.com for an outstanding job of marketing the many resorts in our city.

Since 2008 Resort Vacations International has been an integral part of the success of many resorts throughout Mexico including resort destinations in Cabo San Lucas, Puerto Vallarta Cancun and others. Since 2008 R.V.I has helped plan vacations for tens of thousands of guests and helped shape the all-inclusive vacation experience many of our Mexico resorts offer today. In these tough economic times R.V.I has found ways to make vacations affordable for many families around the world.

We congratulate and appreciate R.V.I. immensely and we know you too will join us in appreciation when you visit Mexico via Resort Vacations International.

We look forward to many more years of working together with R.V.I. promoting Mexico as a vacation destination.

Yours Truly
