WEBSITE SOLUTIONS COMPANY ANNOUNCES WEBSITE FOR ELECTRICAL CONTRACTOR IN HOUSTON, TEXAS

CORRECT Electric, Houston Texas's premier Commercial Electrical Contractor Company, recently gained an online resource that was created by AgniTEK.

College Station, TX, December 18, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for CORRECT Electric, Inc. at <http://www.correctinc.com>. The new website was designed and created by the associates at AgniTEK and is live on the web.

CORRECT Electric, Inc. is Houston Texas's premier Commercial Electrical Contractor Company. Correct Electric offers Services for Residential, Commercial, Industrial Projects and 24 Hour Emergency Service. Other Electrical Services include: Contracting, Design Build, Hurricane & Disaster Recovery, Troubleshooting, Standby Generators, and IEC Contracting. CORRECT Electric has a dedicated team of Designers, Estimators, Project Managers, CAD Operators, and Field Personnel that have the Education, Experience, and Technology to take their clients' ideas and create the perfect CORRECT Electric project for them. To learn more about CORRECT Electric, visit their website today.

The CORRECT Electric website is a highly organized online resource that serves as a great way to market the company's success. From information about the company to their process and client success, the website says it all. The site also provides an easy to use contact form that allows prospective customers the option to contact the company to gain more information. All of these features were made possible by AgniTEK and their associates.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software

application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
