

## **Capture His Heart: Review Names Claire Casey's Program The #1 Resource For Women**

*ConquerHisHeart.com the leading dating and relationship advice has named Michael Fiore and Claire Casey's Capture His Heart as their most highly recommended resource for women.*

Capture His Heart - which promises to reveal powerful secrets for capturing the heart of one's dream man has been named as the top dating and relationship program of the year by ConquerHisHeart.com's Sean Roman. In a newly updated review of the course Roman explains why Casey's program has garnered such rave reviews from customers and critics alike.

"While many women may rationally want to find a 'nice guy' to settle down with for a relationship, more often than not it's a guy living the 'player' lifestyle who just ends up being the most attractive," reports Roman. "Perhaps, it's the fact that these player types have so much natural charm and confidence, but whatever the reason it can be a real challenge trying to get them to give up their free-wheeling bachelor ways. That's why Capture His Heart And Make Him Love You Forever has been creating so much commotion. Women are incredibly eager to discover the 3 simple tricks they can use make a man love them forever, even if he's got a lot of options out on the dating scene."

The Capture His Heart course was created by Claire Casey in collaboration with celebrity relationship expert Michael Fiore, and is available digitally online exclusively through Casey's website. In addition to the core program modules the system includes bonuses including "Magnetically Attract Wonderful Men" with renowned dating coach Matthew Hussey, Claire Casey's "Dump Radar" worksheet and the "Man of Your Dreams" checklist for selecting the cream of crop man.

"Our Capture His Heart review reveals that women who have spent years of frustration trying to understand male behavior have discovered a new found hope through Casey's teachings," says Roman. "The program connects with readers emotionally, and honestly revealing truths about love that few will ever truly comprehend."

"Most of my friends have no idea what it's like to be single," said a reader in a review posted on Casey's website. "They have good intentions, but their advice is usually way off. This program is like talking to a smart friend who gets it. Claire has made me feel optimistic about love for the first time in a long time. The modules are really fun to go through, and the worksheets are actually helpful (I was a little skeptical about the exercises, but they work!). I'd enthusiastically recommend this program to any woman who has become discouraged about finding the right guy."
