Aviation Regulatory Experts

TRAINING COURSE DETAILS

## Part M - All plus Subparts C, G & I in Detail

### INTRODUCTION

The primary purpose of this training is to provide a thorough understanding of the Role of Part M in all jurisdictions managed by an EASA Regulatory environment. To introduce delegates to the working of the Part M Regulatory Structure and to enable a full understanding of the operator's responsibilities, Contracted arrangements, Subpart G responsibilities.

The Training focuses on the Operators specific responsibilities, In particular the role of Contract and Subcontract organisations.

In addition, to provide a general overview of all parts of EASA Part M and to provide in details an in depth understanding of Subparts C, G and I;

The training is very practical with numerous examples, which are intended to give a practical perspective of how to apply the knowledge that they gain in the workplace and to satisfy the needs of the Accountable Manager responsible for EU Operators, Maintenance Post Holders, Quality Managers and Part 145 maintenance organisations wishing to gain Part M Subpart G approval.
