## WEBSITE SOLUTIONS COMPANY ANNOUNCES ONLINE RESOURCE FOR REAL ESTATE AND INVESTMENT COMPANY

CapRock Texas, a professional real estate development and investment company, recently gained a website that was created by the associates at AgniTEK.

College Station, TX, January 8, 2014— AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for CapRock Texas at <http://www.caprocktx.com>. The new website was designed and created by the associates at AgniTEK and is live on the web.

CapRock Texas is a professional real estate development and investment firm based in College Station, Texas. Their mission is to identify and deliver high quality development projects and maximize client returns. Through professional financial, market, and technical analysis, CapRock Texas is able to accurately identify, plan, and execute real estate development projects. Their hands-on experience in real estate development and investment makes CapRock the area's #1 choice for real estate development and investment services. CapRock Texas provides services in Development, Brokerage, Consulting, Project Management and Investments. To learn more about CapRock Texas, visit their website today.

The CapRock Texas professional website provides clients with a highly organized way to access information about the company through the Internet. The website features a module to showcase all the projects that CapRock has completed in the past as well as an interactive listings map of properties that are currently available. The website also provides detailed descriptions of all of their services, their leadership, foundation, strategy and even information on their green development. Finally, the website is full of easy to use contact forms to allow customers to gain more information about the company if they are interested. All of the features on the CapRock Texas website were made possible by AgniTEK.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
