NORTH CENTRAL HEALTH CARE MOUNT VIEW CARE CENTER NURSING HOME RECEIVES 5 STAR QUALITY RATING FROM CMS

Centers for Medicare & Medicaid Services award Mount View Care Center highest quality ranking available for skilled nursing homes, placing organization in top the 10% in Wisconsin.

(Washington D.C.) North Central Health Care's Nursing Home, Mount View Care Center, has received the highest possible overall rating of five stars by Centers for Medicare & Medicaid Services. North Central Health Care's ranking is testament to the organization's vision to be the leading provider of a fully integrated continuum of care while delivering quality, innovative services in a fiscally responsible manner. Eighteen clinical quality measurements are reviewed in both long- and short-term nursing care resident stays, along with staffing measurements and health inspection results from the three most recent comprehensive annual inspections.

These rankings, <http://www.medicare.gov/nursinghomecompare/search.html>, allow consumers to compare information about nursing homes and contain quality of care information on every Medicare and Medicaid-certified nursing home in the country, including over 15,000 nationwide. North Central Health Care is proud to offer highly rated, quality services to the Central Wisconsin area. In addition to this 5-star ranking, Mount View Care Center was also rated as one of the "Best Nursing Homes" by U.S. News & World Report in Washington D.C. in both 2012 and 2013, as well as receiving the Women's Choice Award as America's Best in Patient Experience based on recommendation ratings and clinical excellence <http://www.norcen.org/skilled-nursing/mount-view-recognition>.

North Central Health Care's Mount View Care Center is located along the shores of Lake Wausau and offers services for those in need of skilled nursing. <http://www.norcen.org/skilled-nursing> Designed around the specific needs and abilities of its long- and short-term residents, it is operated 24 hours a day by professional staff specially trained in respiratory, music, and occupational therapies, post-acute and short-term rehabilitation, respite and long-term care, as well as aquatic, speech and dementia therapies. As one of only five ventilator dependent care skilled nursing facilities in the state of Wisconsin, coupled with one of the most innovative dementia care programs of its kind, Mount View Care Center is proud and honored to be recognized as a 5 star organization by Centers for Medicare & Medicaid Services.

North Central Health Care compassionately serves the Wisconsin counties of Marathon, Langlade and Lincoln through an accessible, specialized continuum of care. Comprehensive health and wellness therapy, rehabilitation and skilled nursing are provided for people of any age, allowing them to live the quality life they deserve.
