

INTRODUCING THE

Collapsible Utility Box

PATENT PENDING

New Collapsible Packaging is a Game-Changer.

FCA's Collapsible Utility Box requires no tools, fasteners or clips to set up and take down. It can be set up by one person and ready to use in seconds! It is available in any size (custom) or standard sizes (optimized).

The C.U.B. can significantly reduce costs across the supply chain including packaging costs, freight, set up, take down and storage costs.

To learn more about FCA's Collapsible Utility Box, call us at **1.855.FCA.CUB1** and speak to one of our helpful representatives. Or, you can visit our website at **collapsiblepackaging.com**.
