Language Scientific Welcomes New Vice President of Sales and Marketing

MEDFORD, MA (January 20, 2014) – Language Scientific, Inc.[®] announces the addition of Sharon Blank to their executive team in the role of Vice President of Sales and Marketing. With over 20 years of experience, Blank brings global sales expertise and a strong background of working with diverse industries, including healthcare, biotech, pharmaceutical, research, academia and information technology.

Her experience working with a broad range of industries will help Language Scientific provide customized scientific translation services to their expanding roster of clients.

Language Scientific continues expanding and hiring more staff to supplement and enhance its service offerings, such as Linguistic Validation and Cognitive Debriefing. Language Scientific continues to explore its unique combination of high quality technical and medical translation services and cutting edge technology to generate new language service options for its customers.

“At a time when Language Scientific is experiencing significant growth, it is important to hire the right people,” says Leonid Fridman, President and Founder of Language Scientific. “Hiring Sharon will allow us to continue our development trajectory and to expand our business. We look forward to Sharon's leadership of our Sales and Marketing team.”

Blank comes to Language Scientific from BCC Research where she served as Vice President of Sales and Operations for eight years. Additionally, Blank held several key sales leadership roles for companies such as Fisher Scientific, Sybase, and Educational Multimedia Inc.

At Language Scientific, Blank will be responsible for strategic planning, new business development, and seeking out new growth opportunities.

“Language Scientific has a unique offering of scientific and medical talent, certified processes and applied technology within the language services industry,” says Blank. “I am looking forward to increasing the company's client footprint and to becoming further involved with existing clients. It is exciting to join a company that is so innovative and focused on providing quality technical translation services.”

With over 20 years as a full-service language services provider, Language Scientific offers a wide portfolio of services, including Translation, Software and Multimedia Localization, Website Translation, Interpreting (both scheduled and on-demand), Linguistic Validation and Cognitive Debriefing, Natural Language Processing and other customized language solutions. Language Scientific specializes in scientific and technical translation and localization and has earned independent ISO9001 and EN15038 certifications.
