WEBSITE SOLUTIONS COMPANY ANNOUNCES WEBSITE FOR SKATE SHOP IN BRYAN/COLLEGE STATION

Chillax Skate Shop, a skate board sales shop in Bryan/College Station, recently gained a new online resource with an online shopping cart that was created by AgniTEK.

College Station, TX, January 27, 2014– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for Chillax Skate Shop at <http://www.chillaxskateshop.com>. The new website was designed and created by AgniTEK associates and is live on the web.

Chillax Skate Shop was created by a father and son to serve the kids in the Bryan/College Station area with Skate Boarding products. Gary Vandayburg started the business in 2012, in honor of his son Jeremy who passed away in a car accident in 2009. Jeremy's dream was to do something for the skaters of College Station. With the help of his eldest son Jacob, Gary made the dream come true. He now pledges to give the skaters a great product and good services that will last. Chillax Skate Shop sells standard decks, long boards, trucks, wheels, bearings, grip tape and more. Chillax is the best choice for Skate Shop needs in Bryan and College Station. To learn more about Chillax Skate Shop, visit their website today.

The Chillax Skate Shop website features a high-quality online shopping cart option. This allows customers to order skate shop products online from the convenience of their home in a very simple way. The site also provides media galleries and videos to highlight the Chillax Skate Shop products to all of their customers. The site also allows customers to inquire about certain products they might be interested in through the easy to use online contact form. All of these features were made possible by AgniTEK and their associates.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
