Welcome to our 10th Annual **Arizona Fine Art EXPO!**

Join us in celebrating our 10 years of Arizona Fine Art EXPO—a milestone for myself, my brother, Dennis, his wife, Judy and my husband, Roger, whom together produce this memorable event. Of course, this wouldn't happen without our award-winning artists, who help to orchestra the symphony of color that plays for 10 weeks.

Reminiscing over the EXPO's previous years, there are many notable moments shared with artists, friends and patrons, and we look forward to countless more memories.

The EXPO unites artists from across the globe, providing each artist a studio setting to create their finest. It is a platform for artists including

painters, sculptors, potters, wood carvers, photographers and jewelers; watercolorists, stone carvers, metal sculptors, oil painters, clay sculptors, bronze works and more.

Our season pass provides patrons with the opportunity to return as often as they wish throughout the ten weeks. Open every day, 10am to 6pm, the EXPO offers 74 straight days of "art adventure".

The Arizona Fine Art EXPO is an oasis in the desert. A unique experience, that gives patrons a greater understanding of the artists and their work. It is a chance to ask questions and gain a deeper appreciation of the artists' process which, in turn, unveils a connection to the works of art.

The Café de EXPO, is a watering hole if you will, a place to stop, replenish and take stock of all the inspiration and creativity witnessed. Enjoy lunch with friends, grab a cup of coffee or a burger and take your lunch to sit with an artist in their studio, or outdoors on the cafe patio surrounded by fine sculptures from colossal to sublime.

On the weekends we have live musicians and artists host monthly garden parties, sharing their creativity through their culinary skills.

The EXPO sponsors the American Healing Arts Foundation, (AHAF) a 501(c)3 charity, providing U.S. Veterans with free art classes. AHAF is about healing through the arts and art therapy. AHAF classes are held by volunteering EXPO artists. For more information or to participate as a U.S. veteran, please call 480-717-9888 or visit www.Americanhealingartsfoundation.com

An abstract painting with a warm, textured background of reds, oranges, and yellows. In the lower-left corner, there is a heart shape filled with intricate, swirling patterns in shades of red and gold. A thick, dark, wavy line curves across the upper and middle sections of the painting. In the upper-right area, there is a faint, light-colored silhouette of a human figure. The overall style is expressive and painterly.
