

# Our difference

Starting a business is one of the most important decisions you will ever make, and it is important to know that you have made the best possible choice to pursue your dreams for your investment. **Commercial Capital Training Group** is committed to showing you the significant difference between our program and "the others."

- We offer the most financial products in the industry.
- The experience, expertise and credibility our family of companies and executives have is unmatched in the industry.
- The ability to deal directly with lenders and investors.
- We don't teach or sell the hype...just the important facts.
- We are not just trainers in the business, but a lender as well.
- The ability to do larger loans.
- Ongoing support and continuous training
- 7 days of intensive training.
- A proprietary marketing power package and a dedicated marketing department for future digital and printed materials.
- Compared to other programs you are getting more from your investment and we go beyond teaching you just the finance business.

With **NO on-going fees or royalties to pay**, our **low overhead business model** allows you the potential to earn a **six-figure income or more**. You will have the ability to work whenever you want, where you want, and the flexibility to work part or full time from the comfort of your own home. Best of all you don't need any financial experience to be successful. Becoming an entrepreneur has never been easier with our **innovative training program**.

**Our recent graduate classes:**

**We are truly unique and different then any other training company or business opportunity and we are here to prove that.**

The dreams of being **financially independent** comes with hard work and dedication, but if you don't have the right avenue and opportunity to apply yourself, that dream will likely never come true. We are here to provide you with that opportunity.

We know what it takes to own and operate a successful commercial finance company. We broke the barrier that stood between individuals and successful entry into the finance business.

**Simply put – we created a doorway for people without any prior experience in the finance industry to walk through.**
