A Growth Story

As the largest crowdsourcing platform in Europe, we have hosted more than 34,000 designers!

This year, we'll add new crowdsourcing principles like programming, translations, and writing to our platform.

In 2014, we're building out three key themes for project owners who use our site:

Hire, Work and Social Business !

250GB data stored in the cloud

VISITS FROM 170 COUNTRIES

90%

Of the designers are from Europe

891,704 Designs made by the crowd!
