

Option 1 Supply finished artwork, ready for printing

If you have in-house design capabilities, this is the quickest and most economical way to get the job printed.

The layout can be done in any program, such as Adobe InDesign, Illustrator, Photoshop, QuarkXPress, Publisher, etc., just convert the final files to a high-res PDF file for final printing.

Please send high-res CMYK PDF/X-1a files (convert all spot colors to process) with 0.125" bleed and trim marks.

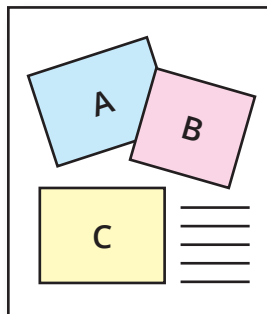

Download instructions on how to export your InDesign or QuarkXPress layout as a PDF/X-1a file here:

http://www.sunrisedigital.us/downloads/technotes/PDF_X1a.pdf

There is no additional cost for supplying high-res PDF files for printing.

Option 2 Send us the raw images and text, we'll create the layout for you

We can help you design and layout the yearbook using your images and text. Please supply a draft layout of how you want each page to look, and name all files by page number and position, as shown in example below.

Example: Page 20

Item	File Name
Photo A	20-a.jpg
Photo B	20-b.jpg
Photo C	20-c.jpg
Text	20.txt

Artwork prep charge: \$250 per project plus \$25 per page. One of our designers will work with you directly to achieve a professional looking layout.

Turnaround: design work generally takes 3-5 days for the initial draft, and 2-3 days for revisions. Well organized files will help us save a lot of time. We'll email you a PDF proof for approval.

Sending Files

Great job on the lobby banner! I saw it for the first time this morning hanging up on the wall, and I think that it looks very nice. Thank you so much for your dedication to quality, sending material samples, redoing the color proof, matching the colors and making sure the alignment of all the elements was perfect. It was a pleasure working with you. You were very quick and very responsive to all my concerns and questions. Thanks a million!

I just wanted to let you and your team know that everybody was thrilled with the job you did and how you came through with the sudden timing change. Our people in California said, 'we rocked!' Thank you again and hope to do business with you in the future.

~ Diane M., Broadview, IL

Great to see you all again. The installation went smoothly and it was a HUGE success. You blew the doors off of my client with the high level of output you provided--and I was really grateful for the fast turnaround--you exceeded my expectations (and I've been around a long time!) I expect to roll this job forward x20 locations. Thank you--and nice to see an old friend doing so very well.

~ J.W., Elmhurst, IL

Your work, as always, has exceeded our expectations. We appreciate the very quick turnaround time on the HR Mailing on such short notice and fronting the cost of the postage was a huge relief. The African Heritage banner was produced in record time and delivered way before the due date. The Tips and Tricks card was also produced and delivered before scheduled due date in spite of the low resolution issue which your team had caught before production. Thank you for your speed, flexibility and dedication to high quality work.

~ Melanie, M., Mettawa, IL

Thank you so much, Jimmy. You really saved us with the event. Your service and final product were outstanding!

~ Kelly S., Peoria, IL

Thank you so very much for the excellent printing job. You're the best!

~ Chris M., Washington, D.C.

The books turned out great Jimmy, the laminate is pretty nice! Thanks much!

~ Lisa L., Chicago, IL

Yes, the books were beautiful. Thanks, again. Please thank Anthony for me. I know we had a few runs of the proof, but he was very easy to work with.
