

Hong Kong Offshore Company

Hong Kong is situated on China's south coast and, enclosed by the Pearl River Delta and South China Sea, it is known for its expansive skyline and deep natural harbour. With a land mass of 1,104 km² (426 sq mi) and a population of seven million people, Hong Kong is one of the most densely populated areas in the world.

Hong Kong is a first-class financial center with the certainty of a serious and stable jurisdiction. Hong Kong companies are advantageous because they are not perceived as "tax havens"; the legal system is based on British common law; the political environment is stable; finance and banking is excellent, and there are no exchange controls. A Hong Kong company may do business anywhere in the world.

Features and Advantages

- **Stable jurisdiction with excellent reputation**
- **Exempt from all local taxes (if activities outside of HK)**
- **Flexibility in company structure**
- **No minimum capital requirement**
- **Only one director and one shareholder are required**
- **Audited accounts and annual filing are required**
- **Information about directors and shareholders will appear on public record***
