

A better concept in online auction websites!

myFourLeaf has the functionality of the traditional auction websites with an untraditional twist – a bundled lot feature that lets you sell multiple items at one time- saving you time and money.

Why is myFourLeaf so great?

- **Two ways to buy and sell** – individual item and bundled lot auctions
- **No Risk** – you don't pay anything if you don't sell your lot
- **Relist for Free** - as many times as you want
- **Bid 'Til You Win** – Bidders won't lose out on an auction in the last seconds and Sellers get the most for their auction items
- **Simple Process** – two easy steps to get your auction listed
- **Simple, Low Fees**– with myFourLeaf, you won't get nickel and dimed with hidden fees and layers of listing options
