18 million users. 100,000 communities.

With Higher Logic's Connected Community platform, build a dynamic community where people interact, solve problems and grow their business.

Most importantly, Connected Community keeps your franchise operations relevant and engaged with owners and managers. It's exactly the value owners expect from their franchise investment.

Higher Logic is the proven social enterprise platform for franchises. Rely on Connected Community to:

- Increase revenue
- Reduce training costs
- Attract new franchisees
- Innovate and solve problems
