## WEBSITE SOLUTIONS COMPANY ANNOUNCES ONLINE RESOURCE FOR CITY IN ROBERTSON COUNTY

The City of Franklin, Texas recently gained a website that offers information about the city departments, council, events and history. This online resource was created by the associates at AgniTEK.

College Station, TX, February 19, 2014– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for the City of Franklin, Texas at <http://www.cityoffranklintx.com>. The new website was designed and created by AgniTEK associates and is live on the web.

The community of Franklin was established in 1872. Franklin is the county seat of Robertson County and is centrally located among the Dallas, Houston, Austin and San Antonio metroplexes. The central location of Franklin offers attractions that allow the best of both worlds - the shopping and arts offered in large cities and the luxury of quiet country living. With a population of 1560, the City of Franklin is proud of its exemplary school system and tight knit community. The City of Franklin website was created to share information about the city departments, council, events, history, and their town with the public. To learn more about the City of Franklin, Texas, visit their website today.

The City of Franklin website provides serves as a great online resource that gives viewers all the information they need to know about the wonderful small town. The site provides highly detailed and easy to navigate pages that display facts, history, attraction, events calendars, photo galleries of the town and more. The site also offers information about the departments and government that makes Franklin a safe place to live. The site also provides information about Economic Development, which offers interested parties an inside look at what Franklin is doing to expand their community and economy. All of these features were made possible by AgniTEK and their associates.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
