

Lawn Program Comparison

What Company gives the most for your money?

1. Custom Treatments

Not “One-Size-Fits All” Applications are customized to meet the specific needs of your lawn.

2. No Hidden Fees—Price Includes:

- **6 Visits:** Properly timed and customized treatments.
- **Free pH test** to evaluate acidity levels.
- **Potassium Supplement:** Added to lawn treatments to build cell walls and increase drought, disease and stress resistance.
- **Nutsedge and Grub Control:** Applied if needed at no additional cost
- **Crabgrass Controls:**
 - *Pre-emergent:* TWO applications to extend control longer into the season. Most companies offer just one.
 - *Post-emergent:* Applied if needed at no additional cost.

3. Product Quality

- **Highest Quality Available:** All products are premium, professional grade.
- **Includes Premium Slow-Release Fertilizers:** Provides sustained feeding and reduces thatch and disease susceptibility. May cost more than companies using quick-release alone or lower grade slow-release.

4. Environmentally Friendly

- 100% Organic & Traditional programs offered
- Pesticides and herbicides applied only when necessary
- Uses least toxic materials required for effective results.
- Fertilizer dosage based on what lawn can fully absorb to minimize run-off issues.
- Phosphorous is **not** included in the 6 Visit program unless a soil test indicates a shortage or the lawn is newly seeded. Excess Phosphorus creates algae problems in our waterways.

5. Certified Technicians

Technicians are PA Certified for Turf Applications.

6. Experience

- Trained technicians identify problems and take action.
- Application techniques adhere to best practice standards.
- Provides care tips such as how to mow and water between visits.

7. Service Calls

Problem between visits? Price includes free service calls.

8. Security: Company does employee background checks and random drug testing.

9. Safety: Company requires safe working practices including protective gear and equipment.

10. Training: Employees participate in ongoing technical and safety training.

11. Reputation!
