

# Doing Echocardiograms but have no Cardiologist to read them?

Use **ECHOSpa™**  
*A new age Tele Cardiology platform*

Brought to you by

Email: [sales@teleradtech.com](mailto:sales@teleradtech.com) | Website: [www.teleradtech.com](http://www.teleradtech.com)

USA: 900 Chapel St., Ste 620, New Haven, CT 06510 | Tel: +1-763-244-1263

India: 2nd Floor, Plot # 7G, Opp Graphite, Indira Whitefield, Bangalore 560048 | Tel: +91-80-40187500

## Advantages:

- Avoid unnecessary and costly patient transports
- Access to specialised Pediatric and Adult Cardiologists
- Specialist reach to rural and underserved areas
- Cardiologist can view and access from anywhere, anytime

## Workflow:

Images from the modality are uploaded to the server. Cardiologists log into the server to view the images from the ICU, ICCU, and OT or from their office or home.
