charity: water is an awesome non-profit organization that brings clean, safe drinking water to people in developing countries.

OUR GOAL IS TO DONATE **\$100,000** TO *CHARITY: WATER*

..... THIS IS OUR GIVING PLAN

HOW IT WORKS

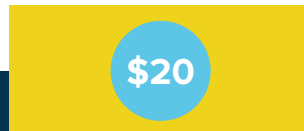

Source Consulting offers services and software technologies to help companies reduce shipping costs.
A great prospective customer is a company that ships a lot of 'stuff' and wants to save money.

1

When a new prospective customer gives Source a 20-minute conversation to introduce itself...

2

Source Consulting will donate \$20 to *charity: water* on behalf of the prospective customer...

3

charity: water uses donations (100%) to fund clean water projects in developing countries

20 MINUTES = 20 DOLLARS = CLEAN WATER
