

Sara McLane | Senior Consultant

Sara McLane is a Senior Consultant with A-align and has performed SSAE 16, SOC 2, fraud investigation, readiness assessments, and PCI DSS reviews.

Sara's responsibilities include overseeing the field work of nearly 30 audits annually, documenting work papers, and preparing report information. She is also involved in internal training as well as external webinars.

Prior to joining A-align, Sara was employed with a "Big 4" firm providing services in the fields of Internal Audit, SOX, and fraud investigations. Sara has additional experience performing pre-IPO SOX assessments, gap analysis, and process work flows to identify high risk areas.

Sara has provided professional services for global as well as regional companies during the course of her career.
