

# Powerful Intervention to Support Common Core

Exclusive Invitation • Limited Availability • One-time Event

Hosted by Cate and Scott Callender and Developmental Studies Center

**SIPPS® (Systematic Instruction for Phonological Awareness, Phonics, and Sight Words) works because students learn just what they need, not what they already know.**

**Join us for brunch with literacy consultant and SIPPS specialist, Dr. Gina Zugelder. Explore this powerful resource for students in need of foundational skills support.**

#### Highlights of the program:

- Research based
- Systematic and explicit instruction in phonics and phonological awareness
- Helps develop automaticity and supports students in reading complex texts
- Supports Rtl and ELL students
- Results in only 30 minutes per day for struggling readers
- Immediate strategic feedback
- Initial and ongoing assessments
- Used by more than 40 school districts across the state
- Approved by the [CDE](#) and [Colorado READ Act](#)
