<td>Replica diver's helmet signed by Hollywood stars. Former owner worked as an extra on many films and from time to time would have dinner parties with many of the older Hollywood celebs at his home. He had an unbelievable collection of autographs and memorabilia. He told of originally acquiring the helmet from a lifelong electrician friend who had acquired the helmet from MGM and then collected the autographs from stars who were in films upon which he had worked. The helmet is a well-done reproduction. The former owner went to one of the top autograph sites on the web and their prices exceeded $8,000 for the signatures of those on this helmet. Some signatures include: John Wayne, Gilbert Roland, James Mason, Paul Lukas, Kirk Douglas and Peter Lorre.</td>
