

Better Bathrooms Announce The Murcia Collection

Better Bathrooms, the UK's largest independent bathrooms and tiles retailer, have extended their comprehensive bathroom furniture selection, adding Murcia collection to the mix.

The collection has 7 different options available, with both floor standing and wall mounted designs. Ideal for crowded family living, these smart storage solutions offer space-enhancing properties. These units are perfect for any modern bathroom, with their slick curved design, innovative handles and chrome plating. Each Vanity Unit boasts deep fill, soft closing drawers, opening up to a wealth of storage opportunities to de-clutter and organise.
