TeamLogic IT Named to the 2014 MSPmentor 501

Leading managed services provider company ranks #45 making the report's prestigious Top 50

MISSION VIEJO, Calif., March 6, 2014—TeamLogic IT, a nationwide network of managed services providers, earned a spot on Nine Lives Media's 2014 [MSPmentor 501 list](#), a global ranking of the world's top managed services providers (MSPs). TeamLogic IT was the only franchise company on the list and ranked number 45.

In addition, Frank Picarello, TeamLogic IT's Chief Operating Officer, and Mike Celayeta, Vice President of Product Development, have both been named to the [MSPmentor 250](#) list, another Nine Lives Media report which identifies the world's leading managed services provider executives, entrepreneurs, experts, coaches and community leaders.

TeamLogic IT's President, Chuck Lennon, previously named to the MSPmentor 250 list four years in a row said, "We are very honored that our company has been named to this esteemed list. Our business model is a differentiator that enables us to drive more points of presence in the marketplace through our business owners. Their ability to both innovate and respond to customer needs faster has contributed to our consistent year-over-year growth of 40% for the last three years."

[TeamLogic IT](#) businesses deliver cloud, business continuity, help desk, and NOC services. Through a network of field resources the company provides consulting, strategy and advice on IT to assure highly available, secure and flexible IT environments for thousands of companies.

The MSPmentor 501 report is based on data from MSPmentor's global online survey, conducted October-December 2013. The report recognizes top managed service providers based on a range of metrics, including annual managed services revenue growth, revenue per employee, managed services offered and customer devices managed. The MSPmentor 250 report is based on a global survey of MSPmentor site readers conducted in the first half of 2013. The MSPmentor editorial staff, led by Managing Editor Jessica Davis, also weighed in with nominations, based on the team's

daily coverage of the managed services market. The resulting MSPmentor 250 represents MSP experts across business, technology, sales, marketing, community development, coaching and more.
