## ARTFULLY DESIGNED

Our lighting designers approach each home as a blank canvas, drinking in the architectural details, landscape highlights and open spaces before crafting a lighting design that draws attention to the best aspects of all of these things. The results reflect your desires – from creating an airy space for play, to announcing the majestic façade of your distinctive home.

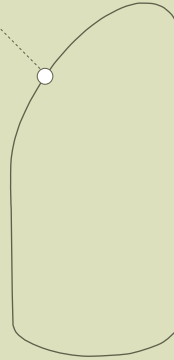

*olp* WELL LIGHTS

*bb*  
*03a* STANDARD PAR 36 ANGLE WELL LIGHT

Cleverly designed by professional lighting experts to provide strong light yet remain practically unnoticeable, this well light is adjustable for brightness and may be used to graze or fully highlight your home's lovely exterior, or uplight a striking tree.

<b>LAMP</b> 35 WATT QUARTZ PAR36	<b>MATERIAL</b> PVC	<b>OPTIONAL</b> GLASS LENS (SHOWN)
-------------------------------------	------------------------	---------------------------------------

**PAR ANGLE WELL LIGHT**

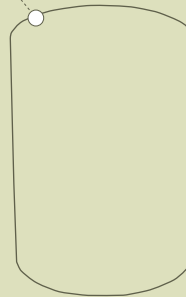

*bb-03a*

*bb*  
*03f* STANDARD PAR 36 FLUSH MOUNT FLAT WELL LIGHT

Designed to maintain a low profile, this well light is adjustable for brightness and practically disappears in your landscaping, keeping the attention on your colorful flora, the angles of your home exterior or the texture of a boundary wall.

<b>LAMP</b> 35 WATT QUARTZ PAR36	<b>MATERIAL</b> PVC	<b>OPTIONAL</b> GLASS LENS (SHOWN)
-------------------------------------	------------------------	---------------------------------------

**FLUSH MOUNT WELL LIGHT**

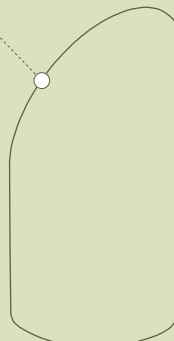

*bb-03f*

*bb*  
*03s* ADJUSTABLE PAR 36 ANGLE WELL LIGHT

Bulb can be raised and turned up to 90° to create a directional flood light suitable for shadowing or silhouetting the forms that surround your home. Sturdy construction ensures this well light will withstand the ravages of both the elements and your landscapers.

<b>LAMP</b> 35 WATT QUARTZ PAR36	<b>MATERIAL</b> PVC
