

THE NEW YORK
POPS

A DIFFERENT KIND OF ORCHESTRA

The New York Pops is the largest independent pops orchestra in the United States, and the only professional symphonic orchestra in New York City specializing in popular music. Under the leadership of dynamic Music Director and Conductor Steven Reineke, the orchestra's 78 musicians continue to re-imagine popular orchestral repertoire.

The New York Pops is dedicated to lifelong learning, and collaborates with public schools, community organizations, Ronald McDonald House New York and senior centers throughout the five boroughs of New York City. PopsEd programs allow thousands of New Yorkers of all ages and backgrounds to participate in fully customizable music programs that blend traditional education with pure fun.
