**We are very excited about our first Workshop at Full Moon Resort. This venue has had years of experience hosting great camps every summer, and is located in the idyllic Catskill mountains. It is a perfect place to have fun while learning from the fantastic team of educators we have assembled. The Full Moon Resort is also a gorgeous vacation spot with gourmet facilities, so bring your family or friends along and they can enjoy the natural beauty of the setting, and fine food, while you get down to your musical activities.**

**The Guitar Intensive Workshop (a non-profit subsidiary of the Bruce Arnold Foundation) is composed of some of the greatest players and educators around, including: Bruce Arnold, Mimi Fox, Jane Getter, Stuart Hamm and Alex Skolnick. Together, this group can cover styles ranging from straight ahead jazz to folk, country, blues, and metal.
