

Contractor Business Solutions NW Signs Trapp Online as Preferred Hosting Provider

Custom Sage 100 and Sage 300 hosting now available to Northwest contractors

Scottsdale, AZ. – April 7, 2014 – Scottsdale based Trapp Online, www.trapponline.com, a provider of industry-specific cloud hosting solutions, is proud to announce that Contractor Business Solutions NW (CBSNW) www.cbsnw.com, a Sage North America business partner, has signed Trapp Online as their Preferred Provider for Application Hosting Services.

The agreement brings together CBSNW's construction and real estate software solutions and Trapp Online's custom application hosting platform for Sage 300 Construction and Real Estate, Sage 100 Contractor and related applications. CBSNW's customers in the Northwestern United States can now more readily enjoy the benefits of application hosting, through Trapp Online.

"Contractor Business Solutions NW is a Sage Business Partner recognized for their success in the construction industry," said DJ Jones, Vice President of Marketing, Trapp Corp. "We are proud to partner with them to bring hosting to their customers in the Northwest."

Under the terms of the agreement, Trapp Online will provide hosting services at discounted rates and CBSNW will jointly market Trapp Online's hosting services to prospects and existing customers.

"Hosting is a great way for construction companies to take advantage of the cloud," stated Jon Newsom, Partner, CBSNW. "Trapp Online's long track record with Sage construction software makes their Sage-friendly hosting platform a solid cloud solution for our clients."

By partnering with Trapp Online, CBSNW gains a cloud solution optimized for Sage application integration, generating new sales opportunities. Companies hosted by Trapp Online enjoy less IT maintenance, enhanced data security and secure remote access anywhere they have an internet connection—at the job site, at home, or the office. Reduced capital expense, budget predictability and improved productivity make hosting an attractive option for CBSNW's clients.
