EXPERIENCE

Staffed with CPA's, accountants and software professionals, our dedicated team has over three decades of industry experience.

SOLUTIONS

As a leading provider of accounting software, we look forward to finding a solution to meet your unique business needs.

TRAINING

Our Microsoft certified trainers offer training both onsite and at our training center, ensuring your organization gets up and running quickly.

SUPPORT

Our consultants take pride in providing superior support to you before, during and after implementation.

VALUE

You will benefit from our experience as we share tips and tricks we've learned, saving you time and reducing your learning curve.

Massey Consulting, located in North Carolina, is a provider of top cloud and on-premise accounting and business management software applications. Backed by a team of seasoned professionals, we offer a full range of industry leading business solutions including Intacct and Microsoft Dynamics GP.

Investing in the right technology solution is critical to your business. From the discovery process to software selection assistance and implementation, our team is dedicated to finding a solution that meets your unique business needs. In addition we represent several ISVs (Integrated Service Vendors) whose products have been developed, tested and recommended to complement and seamlessly integrate with your software solution.

As Intacct and Microsoft partners, Massey Consulting represents the highest level of competence and expertise with cloud and on-premise accounting technologies. Our close relationship to Microsoft enables us to better serve our clients with industry leading knowledge, software and support.

At Massey Consulting, we know that choosing the right business solution and partner is vital. Offering an unwavering commitment to excellence, we look forward to helping your business succeed.
