

Introducing a new and innovative storage system new available exclusively from Lowes.....

flex

STORAGE SOLUTIONS
SOLUCIONES DE ALMACENAJE
SOLUTIONS DE RANGEMENT

Before...

The Flex modular storage system from space-pro is "space intelligent" which allows you to move or add components as your storage needs change. Simply start with the telescopic posts and then choose the components using brackets that are available separately.

Get this look for \$1302.97:
