## **TIAG Begins 2014 with Significant International Growth**

***Global alliance of accounting firms adds new members in Philadelphia, New Jersey, Northern Ireland, Milan, Portugal, Angola and Romania.***

St. Petersburg, Florida, USA (April 17, 2014) - TIAG® (The International Accounting Group) has recently announced several new members to its rapidly growing alliance of independent accounting firms. These additions give TIAG an increased presence in critical commercial and financial centers in the United States, Europe and Africa. The newest member firms to join TIAG include:

- Pritchard, Bieler, Gruver & Willison, PC (Philadelphia, Pennsylvania, USA) - [www.pbgw.com](http://www.pbgw.com)
- Dorfman Abrams Music LLC (Northern New Jersey, USA) - [www.dorfman.com](http://www.dorfman.com)
- Goldblatt McGuigan (Northern Ireland) - [www.goldblattmcguigan.com](http://www.goldblattmcguigan.com)
- Studio Rock Commercialisti Associati (Milan, Italy) - [www.studiorock.net](http://www.studiorock.net)
- Nucase (Portugal and Angola) - [www.nucase.pt](http://www.nucase.pt)
- Group Expert Consulting (Romania) - [www.groupconsulting.ro](http://www.groupconsulting.ro)

This growth continues that which took place in 2013 resulting from TIAG's North American expansion strategy. This led to the addition of Berdon LLP, a U.S. Top 30 firm in New York; GALLINA LLP, a U.S. Top 100 firm headquartered in Northern California; and MALLETT, a Top 10 Canadian firm in Quebec.

“The momentum we generated last year has carried over into 2014,” said Robert Sattin, President of TIAG. “These recent additions are evidence that accounting firms are pursuing high quality, multi-disciplinary, international relationships. TIAG provides our members and their clients with those relationships, but through our sister alliance of more than 145 independent law firms, TAGLaw®, members of TIAG can deliver even more value to their clients. Combine these relationships with the number of other benefits and services our members receive, and you can confidently say TIAG members are truly part of something dynamic.”
