

The Hawthorne Evening Market

A New Farmer's Market on Saturday Evenings

The Hawthorne Evening Market is a new Farmer's Market opening this 2014 growing season. We're located a few blocks between the Hawthorne and Division commercial stretches in Portland to be in the heart of Hawthorne's residential areas. The market is open every Saturday from 4pm to 7:30pm, starting May 31, 2014.

The Venue

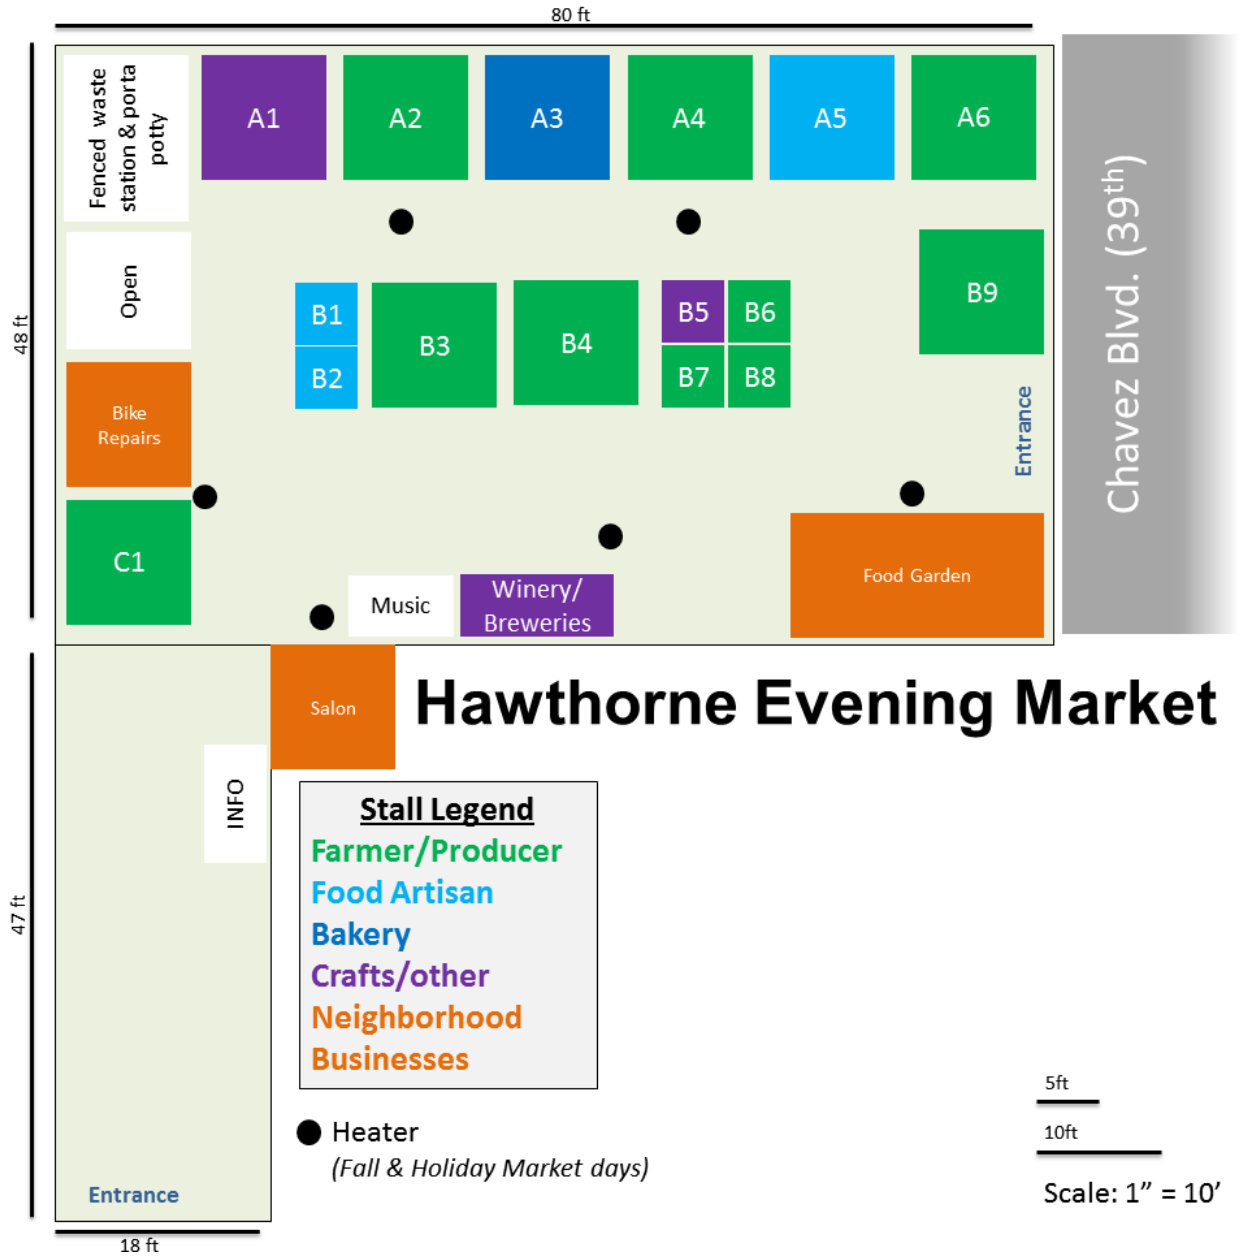

The organizers of the Hawthorne Evening Market feel that it benefits both the public as well as the local producers if market day is an event. We're integrating neighborhood businesses and cafes to host wine + beer tastings, an outdoor food garden, bike services, and live music to create an early evening Saturday venue. Market vendors are primarily farm direct producers and food artisans.

Now Scheduling 2014 Vendors

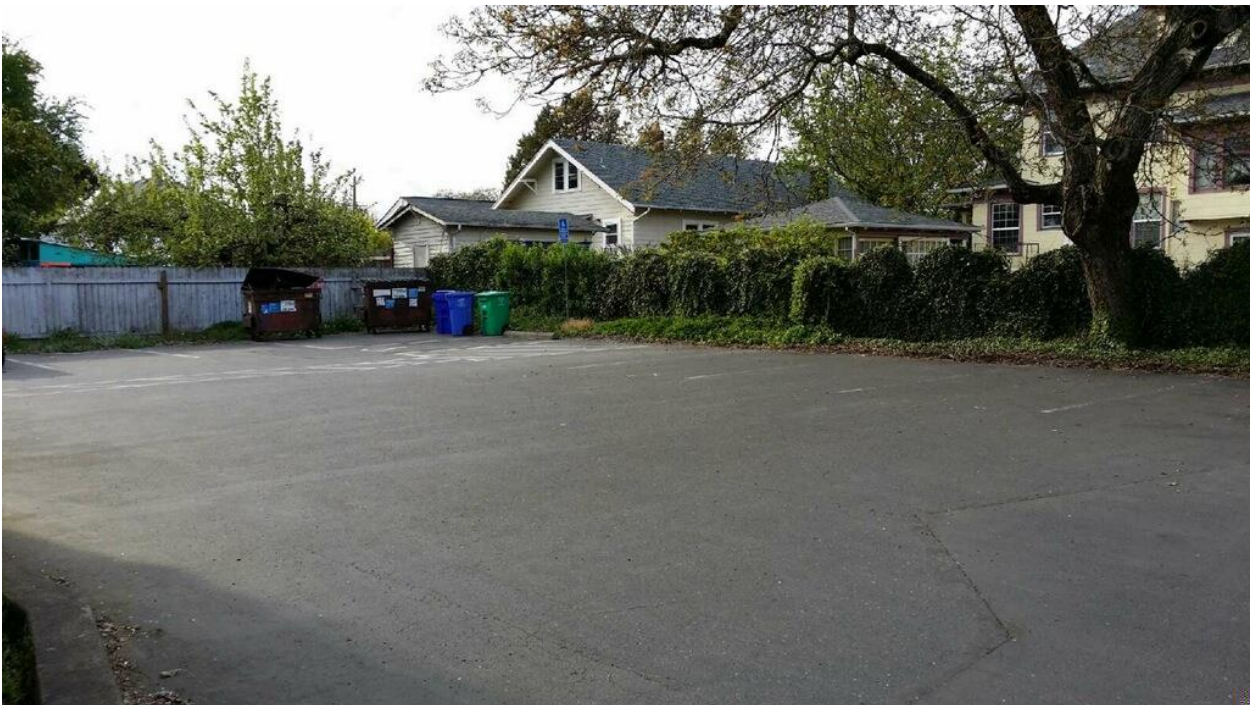

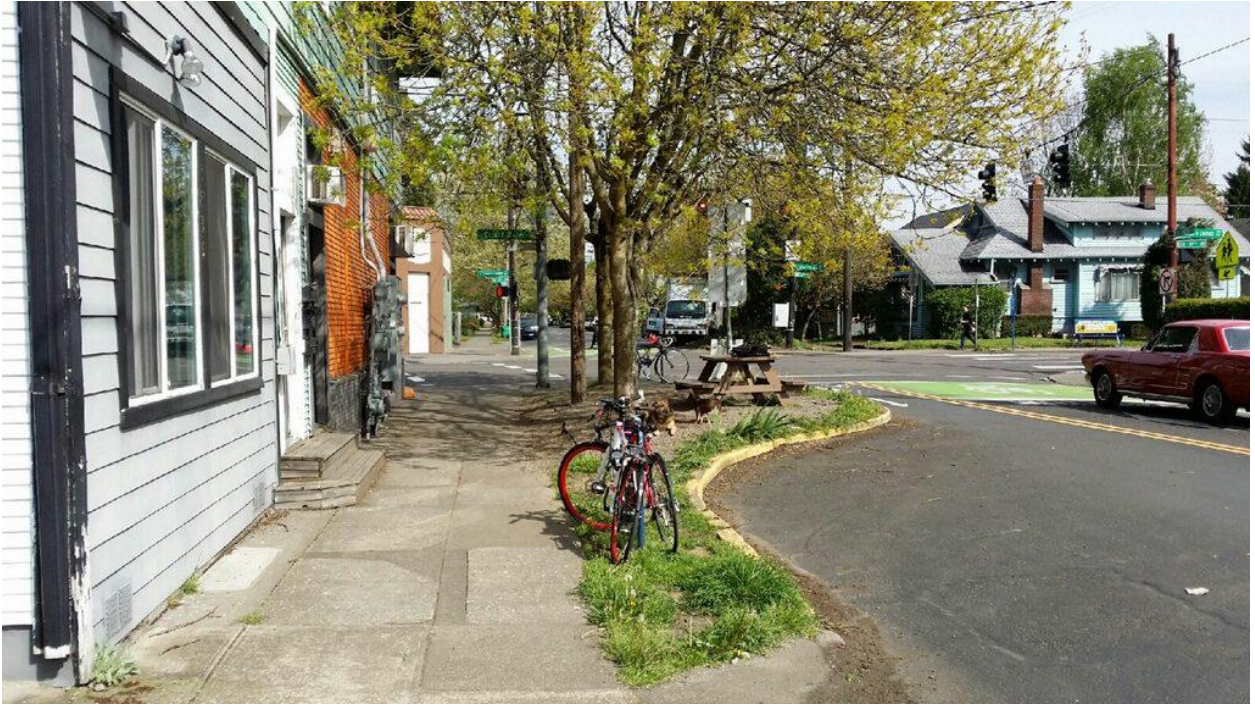

We're first reaching out to the local farms that are already participating in Saturday daytime markets around the metro area. This allows producers to leverage travel and personnel expenses on market day and helps us fill the schedule with strong founding vendors.
