# APPLIED BEHAVIOR ANALYSIS (ABA) THERAPY

## Serving the Greater Houston Area

Trumpet Behavioral Health specializes in the treatment of children, adolescents, and adults with autism spectrum disorders and other developmental delays.

Offering exceptional autism treatment in the Houston area, we specialize in providing Applied Behavior Analysis (ABA) treatment services. Our ABA programs consist of curricular and behavioral assessment, consulting, 1:1 individualized treatment, functional behavioral assessment, behavior intervention plans, social skills groups, as well as education and training for parents, educators, and healthcare professionals.

Our highly skilled, passionate team members are led by Board Certified Behavior Analysts at the Master's and Doctorate level. Our team members work hard to provide the best possible outcomes for our consumers using evidence based practices.
