

You have a Choice.

- Realistic Assessment of Skills
- Low-Cost Alternatives
- Higher Level of Certification
- Nationally Accredited
- Complies with OSHA's Crane Rule

CIC is the SMART CHOICE.

**Wise employers know
THE TIME IS NOW
to certify crane operators...**

...and qualify signalpersons and riggers.

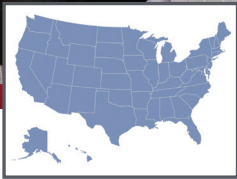

Act now. Don't wait.

CIC Costs Less, Serves You Better

- CIC has issued more than 50,000 Nationally Accredited tests for crane operators, riggers, and signalpersons.
- 1 of 2 Certification Providers to meet OSHA requirements for testing by type and capacity of crane.
- More than 250 test sites and 200 public practical examiners nationwide.
- Endorsed by more than 300 crane and rigging trainers nationwide.
- Only 1 practical exam required for up to 5 certification levels.
- On average, 33% less expensive than competitive certifications.
