Invitation

OMICS Group welcomes you to attend the **3rd International Conference and Exhibition on Biowaivers & Biosimilars** during October 27-29, 2014 at Hyderabad, India.

We cordially invite all the participants who are interested in sharing their knowledge and research in the area of Biowaivers & Biosimilars.

Biosimilars-2014 anticipates more than 300 participants around the globe with thought provoking Keynote lectures, Oral and Poster presentations. The attending delegates include Editorial Board Members of related OMICS Group Journals.

This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class scientists.

The intending participants can confirm their participation by registering for the conference along with their colleagues. Avail the delegate early bird offer.

The main theme of the conference is **“Current Challenges and Opportunities in Cost Effective and Affordable Biosimilars”**.

Regards,

Biosimilars-2014 Organizing Committee

About Us

OMICS Group Journals

- 300 Open Access Journals
- 21 Day rapid review process
- 22000 Editorial team, 27000 Reviewers team
- 2.5 Million readers and high visibility
- More than 100000  fans
- Publication immediately after acceptance
- Quality and quick editorial, review processing

Key features

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

OMICS Group Conferences

- 80 Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

Key features

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions
- Platform for global networking
- Connecting scientific community

Special Issues

All accepted abstracts will be published in respective OMICS Group Journals

Each abstract will be provided with digital Object Identifier by 

The field of Biowaivers & Biosimilars is growing rapidly and its development is making tremendous impacts in medical sciences and pharmaceuticals. The importance and significance can be gauged by the fact that it has made huge advancements over the course of time and is continuing to influence various sectors.

Biosimilars-2014

- Opportunity to attend the presentations delivered by eminent scientists from all over the world
- Selected contributions will be published in following OMICS Group Journals,
 - Journal of Bioanalysis & Biomedicine
 - Journal of Bioequivalence & Bioavailability
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Global networking: In transferring and exchanging ideas
- Share your excitement in promoting Health care, Clinical R & D
- Conference brings together Scientific Researchers, Business Entrepreneurs and Pharma, Biotech & Healthcare, Industry Developers

About Hyderabad

Hyderabad is the capital of Andhra Pradesh, India and is one of the largest metropolitan cities in the country. The city is often known by the sobriquet The City of Pearls. Hyderabad is the financial, economic and political capital of Andhra Pradesh. Hyderabad is ranked as the second best Indian city for doing business in 2009 Report published by the World Bank Group. Tourism industry forms an important role in the economy of Hyderabad. The city was rated nineteenth in the world by The New York Times in the list of 41 Places to go in 2011.

Hyderabad is a biopharmaceutical hub of the world, and known as India's pharmaceutical capital. The establishment of public sector in life science research and the purposely built Genome Valley, Fab City and the Nano Technology Park with dedicated facilities established extensive infrastructure in biotechnology industry. Among the global centers of information technology for which it is known as Cyberabad (Cyber City). The development of a township with related technological infrastructure called Hi-Tech City prompted global and particularly US-based IT Companies.

Hyderabad is home to various CSIR and other public sector research institutes such as Indian Institute of Chemical Technology, Indian Drugs and Pharmaceuticals Limited, Centre for Cellular and Molecular Biology, Central Research Institute of Unani Medicine, Centre for DNA Fingerprinting and Diagnostics, National Geophysical Research Institute, National Institute of Nutrition, Indian Immunological Limited, Institute of Genetics and Hospital for Genetic Diseases, Center For Food Technological Research Institute, Central Institute for Medicinal and Aromatic Plants. Hyderabad Biryani and Hyderabad Haleem with a blend of traditional South Indian, Mughalai, Arabic and Persian cuisine are iconic dishes of India.
