

Iris Data Services Opens Client Services Office in Chicago Leading Electronic Discovery Company Adds Illinois Litigation Support Operations

Chicago, May 12, 2014 — Iris Data Services, a leading provider of managed litigation services, announced today that it has opened a new client services facility in Illinois at 111 W. Jackson, Suite 1700, Chicago, Illinois 60604, (773) 426-3347. This is a litigation support office that houses project management, client support, and sales operations. Iris Data Services is a leading supplier of discovery solutions including electronic discovery, managed litigation services, and document review technologies including kCura's Relativity, Relativity Analytics, and Relativity Assisted Review.

The new Iris office is home to project managers, analysts, forensics examiners, and sales management, all serving law firms and corporate legal departments throughout the Midwest region of the United States. In addition to Chicago, Iris has U.S. offices in Atlanta, Dallas, Kansas City, Los Angeles, Miami, Nashville, New York, Olathe, Kansas, Phoenix, San Francisco, and Washington DC. Iris also operates offices in Europe, India and China.

"Our new client services office is located in the Chicago loop," said Damon Goduto, Iris Co-Founder and Vice-President of Sales (404-719-5111). "We are neighbors to the Chicago Board of Trade and several law firms and corporations, bringing our discovery team closer to our current and future customer base."

"Our new office in Chicago cements our company's commitment to our clients in the Chicago area. We have experienced tremendous growth in this market and are excited to offer increased local service to law firms and corporate legal departments with growing amounts of complex litigation," said the president of Iris, Major Baisden. "Offering full discovery services makes it easy for our clients to centralize all aspect of discovery for a particular case while meeting their demanding deadlines."

About Iris
