InfiniDB Recognized as a 2014 TiE50 Finalist

InfiniDB named as finalist as a top technology startup

Frisco, Texas, May 16 2014 – InfiniDB was announced as a finalist in the 2014 TiE50 awards, an annual program recognizing the 50 hottest tech startups from around the world. InfiniDB is also named as a 2014 Global Top Start-up.

"It is an honor to be named a 2014 TiE50 finalist as you see who our peers in the 2014 class are and the past finalists and winners," commented Bob Wilkinson, CEO of InfiniDB. "But it really is a tribute and validation of the hard work and dedication of our team. InfiniDB has made tremendous strides in our technology, software delivery, and execution-to-plan over the past 12 months and we continue to gain momentum," said Bob Wilkinson, CEO of InfiniDB.

The TiE50 finalists were selected by a committee that screened over 2,800 companies from 27 countries. The finalists will be showcased to a global audience of more than 4,000 representing 50+ countries. The winners will be announced at TiEcon, the world's largest technology conference for entrepreneurs, on Saturday, May 17 in Silicon Valley.
