CEO Ross Marranca pegged as up-and-coming executive

AMHERST, NY – Mainstreethost, one of Western New York's largest digital marketing agencies, was pegged as Buffalo's best "Web Design Firms," as compiled by [Buffalo Business First](#).

Mainstreethost designed approximately 600 websites in 2013, nearly tripling second-ranked 360 PSG, which Mainstreethost dethroned from its top-ranked position. Clients of Mainstreethost include fellow homegrown businesses [Davis-Ulmer Sprinkler Co.](#), [Salvatore's](#), and [Stereo Advantage](#).

Along with that honor, Mainstreethost Chief Executive Officer Ross Marranca was named one of the area's top up-and-coming executives.

"It's a great honor and accomplishment to have Mainstreethost ranked among a group of other formidable marketing agencies."

Mainstreethost, which is located at 207 Commerce Drive in Amherst, has operated since 1999. Since then it has grown to more than 160 employees locally, including 26 website designers and programmers, in addition to a secondary office in Las Vegas.
